
Jay Z The Blueprint 3 (2009) [DELUXE EDITION]

The Blueprint 3. JAY-Z. Explicit Master, 2009. Play on TIDAL. Open in desktop application. Share. 1 What are we talking about. Clear master. JAY-Z Luke Steele. This name is not familiar to me, but I know who Jay-Z is. I don't know who Jay-Z is, but I know he is JAY-Z. We are talking about a person who not only achieved success, but became a star. This person can do whatever he wants. He could be any of many others, and yet he is Jay-Z. He can have whatever he wants, including what is called the title of "world famous star". When I was working on this release, JAY-Z was in Los Angeles. Don't ask me why he was there.
