System Requirements:

Additional Info: Hearthstone has a wide range of difficulty settings, with some for beginners and others that are quite difficult. One of the most important aspects of any game is balance, which means that each unit's strengths, weaknesses, and costs are such that they can play a key role in the metagame. Once you reach rank ten and the Infernal Shrines, you will be able to access the Dragon Soul daily challenge. This will lead to an additional quest chain. Note that this will be only for rank 10 players.(CNN
