Collaborative working environment The entire business and operational aspects of The Sophie Group are primarily based in the Cambridge, Bury St Edmunds and Ipswich area, although the firm has offices in London, Belfast and Madrid. Most of the business is multi-national, with subsidiaries and branches operating in the Czech Republic, Latvia, Romania, Russia, the UK and the USA. Some of the client work is managed in-house and some is undertaken by sub-contractors. There are 4 strategic alliance partners who operate with the company, together they act as the apex for all client inquiries. As a customer facing business, The Sophie Group works in a variety of different ways to keep its customer base happy. These can broadly be placed into the following categories - client facing, supplier facing and practice supporting. Client Facing One of the key components of the customer facing side of The Sophie Group is its B2C relationship with clients. These clients are both internal and external. They include a variety of SMEs, SMLs, and larger companies, predominantly in the third sector and education. Clients are referred to The Sophie Group as a result of their knowledge of the marketplace, geography or levels of competition and the way they want to promote their offering. In this way, clients can be put in touch with the most appropriate partner for the job. Suppliers Facing In addition to dealing with client enquiries
