The land of Tarnished was once a peaceful region of the Elden Kingdom. It was once populated by many forest-dwelling Elven people. However, a great tragedy that befell the Elven Kingdom robbed the region of its people and turned it into a graveyard. The Elves lived their lives in a state of fear, hiding in their underground cities. Even their magical abilities, once the key to the Land of Tarnished's survival, had been destroyed by the tragedy. Not until a new era will the Elves again walk the lands of Tarnished. In the new age of glory, the elves will take up arms and unite the broken lands, building and expanding upon what is left of their kingdom.

----- NOTES: -----
- VERSION 0.7.3 - Internet connection is not required for installing the game; a shortcut to the install file will be added to the installation folder. - The game's launcher now displays the version of the game. - If you install the game by using a shortcut, the shortcut will open the program, not the game. - Sometimes, after the launch of the game, you may receive a message stating that the update cannot be installed. - If you use a shortcut, don't forget to add the text " - CLONE" at the end of the launch shortcut. - To create an offline shortcut, the installer is now installed in the Steam library folder. - The "Force Offline" option now displays the warning below it. - 1.5GB of memory is required to play the game. - Fixed a glitch of the sound effects sometimes missing. -----
- VERSION 0.7.2 - The number of monsters displayed in the map is now displayed under the name of the enemy. - The list of the areas that the guild can travel to has been improved. - If the "Companion" conversation window is displayed, you can now select the target. - Fixed an issue that occasionally resulted in your "Character Name" turning into "[?]" in dialogues. - Fixed an issue that caused you to return to the main menu while the game was loading. - If you find a spell/spell/magic level/equipment combination that is missing, you will now be able to see its details by selecting the

Features Key:

Character Creation System that Automatically Updates: In order to ensure that as many players as possible enjoy the game, the character creation system that allows you to select from four races and six classes automatically updates after a certain number of plays.

Multiplayer Mode: When paired with other players, the game supports asynchronous multiplayer in which players travel together, allowing you to feel the presence of your friend and consider their thoughts. Furthermore, you can join a party with which you can enjoy cooperative gameplay and enjoy the reactions of your party.

Encounter the World of the Lands Between!: To experience the vast world of the Lands Between, choose a class and enter the land through the designated gate that opens at the center of your class story.

Rise, Become an Honorable Lord!: The fantasy RPG series "Elder Scrolls" is about a hero in the ancient and distant past, who now goes on a journey to a new world inhabited by monsters, only to be given a legendary power by a legendary sage. You can achieve greatness with your new power, and in the process, become strong and righteous in your class story. Will you rise to be an honorable Lord?

Class-Based Action RPG: Become a strong hero by combining the power of the class and the attributes you were given. You can freely develop your character in accordance with your play style.

FREQUENTLY ASKED QUESTIONS

• *Q. Will my character's class and attributes be lost if I delete it?*

A. Each class that you have absorbed permanently belongs to your character, and other attributes that you have acquired through class upgrades will also be deleted if you delete your class. You will then be able to select a new class, but you cannot regain the attributes acquired in prior classes.

• *Q. Will your class's attributes, magic, and other equipment be stored in the game files?*

A. Class-based attributes are normally not stored on your equipment, but when you encounter a boss that requires more skills, or when you engage in an online battle, class-based attributes may be

"The game itself is quite a departure from the standard JRPG fare as it is primarily an online game." "If you can't get enough of JRPGs or just need a reason to play another one, then Elden Ring is exactly what you're looking for." "A fun and friendly experience that lets you power up your character and meet people online. It's not hard to recommend." "If you're not looking for a clone, you can't go wrong here." "An excellent gem to add to your browser play rotation." "If you're looking for something to add to your JRPG library, you might want to try out this title. It offers a fantasy-based world with fast and fun combat." "It offers a wide variety of options and characters to play as, which is pretty rare for a free-to-play title. If you're looking for a new adventure, it's a great place to start. It's not too bad of a game either." "The visual styles are just that, well, 'vast.' The current stage of animation within the game isn't the best, but this doesn't much matter considering the minimal load times." "I can't say it's excellent, but there is more depth and variety than most other free-to-play titles of this genre. You shouldn't turn away from this new game if you're looking for a new adventure, but it's not for everyone." "It has lots of depth, variety and replayability and can offer a reasonable amount of challenge and fun for your time." "If you want to find out more, you'll probably get hooked very quickly. If you're looking for a new adventure, Elden Ring is a good place to start." >> >> >> >> >> >> >> bff6bb2d33
