# Light, Elegant

## **Features Key:**

- Play various online games with other players in real time.
- Explore a large world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected.
- When teamed up with teammates, you can form your own team and work together to overcome epic stories. (In limited areas, you can form a team of up to 8 players; in other areas, you will be able to team up with up to five players)
- Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.
- An epic drama in which the various thoughts of the characters, from both the main and sub-plot themes, intersect in the Lands Between. - Tamara the Flying Lioness, Taizoro the Oni King, Tarnished, Raven Lord, and the mighty Dragon Race.
- Tons of 3D animated graphics.
- Special features include: things such as the ability to call various creations that are controlled by a character party to your side and special items obtained through fusion.
- Dynamic camera systems that constantly follow the game action in any position.
- Superior gameplay for the PC (AMD version), one of the best settings and contents that you have ever played.
- 3D lighting that brings the 3D environment to life.
- The ability to make changes to your character settings using hotkeys.
- A huge amount of the best high-quality content that has ever appeared in an RPG.
- Seven nations and regions in the Lands Between, with an elaborate map.
- Great thrill from battle, a daunting feeling of anticipation from seeing the graphics, and the rich sounds that capture the atmosphere.
- A vast amount of content and unexplored stories that are going to be revealed by you, the player.
- A huge amount of contents for you to enjoy. More than 100 pieces of music is available in the game.
- Fusion is a system that is difficult to explain with just text, so make sure to check it out for yourself!  
It is an ancient device called the "Elden
