Tip Don't worry if you can't figure out the commands used in any of these options. Adobe offers many tutorials on the web, and it's easy to find a new user that can walk you through your first Photoshop edit. ## Setting Up the Photoshop Workspace When you first run Photoshop, you're greeted with the first window you see, which looks like a black box with the following controls at the bottom (Figure 9-1 and the Toolbox at the right \(bottom\), shown with the Workflow Options panel open \(right\).From here, you can use the following controls to access Photoshop's main workspace \(right\): Figure 9-1. The first window you see after opening Photoshop. * **File menu** —Use this menu to access Options, Preferences, and other features. * **Edit menu** —Use the top-level menus to access all the main editing tools (File, Draw, Layers, Crop, and so on). You'll find these commands on the left side of the work area in the main menus. * **Window menu** —Use the top-level menus to access the window you're working in, including the 3-D workspace. * **3-D workspace** —Use this menu to access the workspace panel shown in Figure 9-1. This panel enables you to work with the tools and layers in 3-D (hence the name 3-D workspace). * **Workflow Options** —Use this menu to access the panel shown in Figure 9-1 (right). This panel gives you the ability to change all sorts of Photoshop settings. You'll learn more about them in the first part of the chapter. If you have any other applications open when

The union said that 41 workers have walked off the job in protest. The last-minute strike at the Inland Processing Center in Monroeville, about 35 miles north of Pittsburgh, comes as city officials push the Postal Service to move all of its employees to the city. "We ask (the office of labor) to take action here and really put pressure on the Postal Service," Pittsburgh Mayor Bill Peduto told Fox News on Wednesday. Peduto and some other local politicians have made similar demands of the postal service in past years but the agency has refused to budge, saying that moving workers away from Pittsburgh's suburban communities would hurt delivery and jeopardize a $2.8 billion mail-processing contract. The latest strike is the union's first in more than 15 years, according to its president, Mark Dimondstein. Dimondstein told The Associated Press that the union wants the Trump administration to
