They beat the heat, the cold and the flu. Is it a miracle we live to see another. Rain or shine - don't worry, we are always prepared. Extremely clean and discreet Exclusive and new Amazing Value Easy to clean and maintain Appears new and plays like new Are you ready to marvel at the unforgettable sound from a pair of elite Pulsar loudspeakers from Klipsch? There's no need for warm-up time or repainting the walls because your ultimate sound experience comes in an absolutely new cabinet system. The secret of these outrageous loudspeakers is a breakthrough design featuring an innovative cooling and ventilation system that delivers the exceptional quality you expect from Klipsch. These ultra-sleek and stylish loudspeakers are capable of playing any type of music or audio. It's an ideal companion for your home theater, music or computer system. Don't waste your time on the loudspeakers or cabinets. Composed of the most advanced wood and high-tech acoustical treatments and innovations, the Klipsch P5i Conicals series coupe loudspeakers provide you and your music the best performance possible. Bring your style into the next millennium The Pulsar loudspeakers are without a doubt the most amazing innovations to come along in audio history. Based on superior treble and midrange performance, engineered to compete with the most expensive loudspeakers on the market, the highest-quality components and materials, and an easy-to-use system control, the Pulsar series is capable of producing the best audio possible. How many speakers do you need? And how many do you need in each room? It's just one, and it replaces your existing speakers or your entire home theater. All it takes is one pair of Pulsar Conicals loudspeakers to unleash your musical talent. Both audiophiles and home theater enthusiasts will appreciate the unmatched sound quality of the Pulsar loudspeakers. The largest of the Pulsar Conicals series coupe loudspeakers, the P5i delivers the most outstanding value for any home theater. Like all Klipsch P5i Conicals, the Speaker features a 4-way, all-passive crossover network that was specifically designed with Pure Drive, Pulsar, and Klipsch horns in mind. It also features True Hz technology to further reduce high frequency resonance and distortion. Let's take a closer look at the P5i Speaker. Carries the
