[Download](#)

The course is structured to include all of the topics that are relevant to academic success. In Unit 1, learners will develop the language skills needed for academic studies. Units 2, 3, 4 and 5 introduce and consolidate skills required in areas of academic studies such as writing, reading, grammar, etc. All of the units are designed to be easy to learn and practice, and learners should be able to complete them within a few sessions. The course can be taken for a number of reasons. It can be used to develop essential language skills for academic studies. The course can also be used alongside a general English course book such as New Headway or New Headway Plus. The course is also suitable for learners whose first language is English, who want to strengthen their language skills for academic studies and who are preparing for employment. Using a wide range of topics that are relevant to the needs of students and staff in higher education, including theory and practice on academic study skills, essay writing, research skills, classroom management, lecturing, and interaction skills. About the Course: The course has been developed with the aim of helping learners improve their reading, writing and speaking in academic contexts. It is a generic course designed for different courses in higher education. The

course encourages self-learning by providing a flexible syllabus which takes learners through the core skills of reading, writing and speaking that underpins all academic study. This course has been designed to enable students to be confident in reading, writing and speaking academic texts. Students will identify and improve their weaknesses in academic skills by employing a range of strategies to help them prepare and improve their written and oral work. The course will also provide students with an understanding of the teaching and learning practices of higher education. The course has been designed for a range of ages and provides the skills necessary for students to be confident in the academic world. This course can also be used to complement other courses and work places. About the Course: The course is suitable for students who are preparing to enter higher education and/or those who have been studying in higher education for a while. This course has been designed to enable students to be confident in reading, writing and speaking academic texts. Students will identify and improve their weaknesses in academic skills by employing a range of strategies to help them prepare and improve their written and oral work. The course will also provide students with an understanding of the teaching and learning practices of higher education. The course has been designed for a range of ages and provides the skills necessary for students to be confident in the academic world. This course can also be used to complement other courses and work places. 5ec8ef588b
