## **UPDATED Crack The Sims 3 Pc V 1.0.615**

July 10, 2010 - There are a lot of complaints online about not being able to update The Sims 3, Expansion Packs and Content Packs. You can find information on how to fix this on the Origin website. If you have additional questions, please contact Origin Support. Please note that Windows Media Center must be running for Windows Vista. You can also download and install the Origin software for Windows Vista directly. If you have problems running and installing the software, please contact us. We apologize for any inconvenience caused.
