Cone accessories are a convenient way to attach a range of tools including the Festool Rotary, Festool Chain, Festool Wheel, Festool Thumpers and Festool Thumpers II. FE-75Grinder FE-130Grinder FE-4040Grinder Festool Accessories Festool PRO-Series Rotary This Festool Rotary is a cordless rotary tool for use with grinders and circular saws. The unique motor design allows you to easily control the angle, speed, and blade rotation from the hand guard. Festool Thumpers The Festool Thumper is designed to help get the fastest cuts possible. The patented Thumper technology means the blade will always be in contact with the workpiece. Festool Chain The Festool PRO chain is designed to speed up your grinding, cutting, and sawing. Cutting from 2.5° to 90° makes this the most versatile chain available. It is also cordless and height adjustable. Festool Wheels Festool wheels are designed to hold the Festool saw chain. This chain can work with various Festool tools, grinders, circular saws, and miter saws. Festool Hand Held Tools Festool makes a wide range of other hand held tools that are designed to compliment the Festool rotary products. Festool Cutting Attachments Festool has several attachments designed to maximize your Festool power tool. The Festool Grinder Attachment will keep the Festool grinder and accessories attached, the Festool Woodworking Attachment will keep your saw chain attached and the Festool Cordless Thumper Attachment will keep your Festool Thumper attached. Festool Bits & Chippers Festool offers a wide variety of saw blades and chippers that are designed to work with the Festool rotary power tools. Festool Products Festool is America's preferred choice for outdoor power equipment. Festool offers a full line of circular saws, table saws, jigsaws, and grinders. Festool also offers a large range of hand held power tools and cordless accessories. Festool
