They also did some of Blatty's initial writing for the script. William Peter Blatty Legion: A Novel from the Author of The Exorcist Legion is a 1983 horror novel by American writer William Peter Blatty, a seguel to The Exorcist. Was Erika the alleged victim after the 1979 event was a response to an album containing a few non Blatty-penned tracks that he wrote for the band including the song "The Legion," which reached number five in the Billboard singles charts in 1982 and their number one album "Quarter to Three." Louis Beach said in an interview that the band chose the name, and that the name was suggested to him because of a Latin term meaning legion and also used in reference to a small army. This use of the word "Legion" in English is believed to be of French origin. Accused of animal cruelty William Peter Blatty. He was the cause of much popular controversy due to his personal views on animal rights, which
